An Innovative New Membership Campaign for the Contractor

The National Tile Contractors Association Board of Directors has approved a new membership recruitment program. By joining NTCA in

2006 all new Contractor Members will receive redeemable vouchers for the same dollar amount as your first year's dues. This enables you, the Contractor, to experience ALL that NTCA has to offer, free for the first year.

THIS IS HOW IT WORKS

- Participating manufacturers will authorize NTCA to provide vouchers for their products that can be redeemed by NEW NTCA Contractor Members, directly from the manufacturer or through any participating distributors.
- Vouchers from each available product category will be provided to NEW NTCA Contractor Members who have paid their first year's dues. The combined value of all vouchers may be equal to, but not exceed, one year's dues.
- NEW Contractor Members will receive vouchers in their membership packet; including technical information on the products being marketed.
- Product categories may include the following: Backerboard, setting and grouting materials, membranes, cleaning and sealing materials, tools, floor heating systems, and ceramic tile.
